Thanks very much for pulling this together and letting us be involved, ladies. I know it can be tough on everyone's schedules and even tougher information to convey. I appreciate it!

Have a great weekend.

Thanks again for all your work Cindi. And thanks Miriah and Gerry for your participation. It was a lot to try to cover and absorb, but I thought it went really well. Katherine

Katherine,

Attached is the .pdf of the powerpoint I am going to present tomorrow afternoon. Did you hear back

from anyone but Seldovia? The presentation is pretty basic on the generic permit process, touches on the need for an ODCE and at the end shows what discharges are permitted under the GPs.

Please distribute as necessary. Thanks.

Cindi
